

Special Notice regarding Rutherford County Board of Commissioners May 4, 2020 Regular Meeting

The regular meeting of the Rutherford County Board of Commissioners will be held Monday, May 4, 2020 at 6:00 PM at the Rutherford County Administration Building. In order to adhere to North Carolina Governor Cooper's order to limit gatherings to no more than 10 people and to stay at least 6 feet apart, some members of the Board of Commissioners and staff will be engaging by telephone rather than being physically present. The meeting will be livestreamed and may be seen by visiting the Rutherford County webpage at www.rutherfordcountync.gov

Although the May 4 meeting will be a public meeting, everyone is strongly encouraged not to attend in order to be COVID-19 compliant, but to instead stay home and watch the livestream. For anyone wishing to make a public comment, there will be a temperature check at the entrance, and up to nine (9) attendees will be seated in the atrium area of the County Administration Building where they can watch the meeting on a TV screen. Upon making the public comment, you will be requested to leave the Rutherford County Office Building to permit others waiting outside to come in.

Rutherford County is making every effort to ensure that the public can view the meeting while also maintaining all statutory and COVID-19 requirements and keeping the public and employees safe. The County thanks all of our citizens for their patience and understanding during this pandemic.
